S/N: 10/711,102

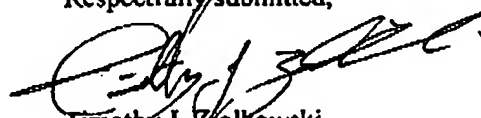

REMARKS

In the Office Action mailed July 28, 2005, it is noted that the first two pages (cover sheet and Office Action Summary) indicate the Office Action is for Application No. 10/711,102, while the substantive pages (pages 2 and 3) refer to Application No. 10/707,352. The substantive comments on pages 2 and 3 do not appear relevant to Serial No. 10/711,102.

Representatives from the undersigned's office have made several phone calls to the Examiner, and the SPE, Robin Evans. The Examiner was called multiple times during the month of August. On the one instance, August 8, 2005, in which Examiner Paschall was able to be reached, he said that he would look into this case and send the correct pages. On September 6, 2005, Applicant called the SPE and left a message. The SPE did not return the call.

Accordingly, Applicant requests that the Office Action dated July 28, 2005 be withdrawn, and a new Office Action be issued with the correct substantive response, resetting the date for response.

Respectfully submitted,
